

# Women's Sport

*From the President of Women Sport- Amy Johnson.*

Robb womens sport is a representative body of Robb students who aim to encourage and enable sporting enjoyment within the Robb women family. Each year the female Robb students vote for a president and vice president as well as various sport representatives including; hockey, netball, basketball, water polo, soccer, touch football, parent student ball brunch members and ladies auxiliary. Throughout the year, each sport representative organises and enters teams into local competitions making many different sports available to participate in. Parent student ball brunch members organise a tasteful morning brunch on ball weekend whilst the auxiliary ladies work the barbeque and bar for rugby weekends, supporting our rugby boys. During orientation week, womens sport holds an introductory function, namely 'pregnant in pink' where without fail, we see some stylish (and some horrendous) pretty pink pregnant outfits. 'Pregnant in pink' always makes for a fun, energised night. Later on in the year we hold the second function 'bra art'. Bland white bras are transformed into very creative and sometimes cheeky works of art by the talented Robb crowd. 'Bra art' is always successful, raising much needed money for breast cancer research. As president of Robb womens sport, I'm proud to be surrounded by Robbers who show enthusiasm, talent and a fair sporting attitude.

# Mary Bagnall Trophy

The Mary Bagnall Trophy started in 1965 and since this time, Robb has dominated in the competition. MB as it is commonly referred to, is a friendly competition between the eight different colleges that takes place on a Sunday morning. Many different sports are participated in whether its team sports like hockey, soccer, netball, lawn bowls, even ultimate frisbee or individual sports like swimming, tennis, athletics and cross-country.

Despite the pounding hangovers induced from the night before, Robb continues to uphold its strong sporting spirit each Sunday morning. On par with our superior skills in all aspects of sport is the Robb girls ability to spot the location of the nearest bin for a cheeky spew, fill each other in on the weeks gossip whilst playing and still come away with the win; with talents like these the other colleges hardly stand a fighting chance. Every year since the beginnings of the MB competition Robb have been strong contenders for the title; winning the majority of the years. No sport too difficult, no competition too fierce, no hangover too deadly – Robb will be victorious!

## MB RESULTS

1965 – Duval	1980 – Robb	1995 – Austin
1966 – Mary White	1981 – Robb	1996 – Duval
1967 – Duval	1982 – Robb	1997 – Mary White
1968 – Mary White	1983 – Wright	1998 – Duval
1969 – Mary White	1984 – Robb	1999 – Earl Page

1978 – St. Alberts	1993 – Robb	2008 – Earl Page
1979 – Robb	1994 – Austin	2009 – Robb

# Robb Hockey

Robb has always been very strong at Hockey especially within the Mary Bagnall inter college competition with being undefeated for the last ten years and still remain very strong. Robb Women's Hockey was re established in 2008 with one team being put in second grade in the Hockey New England competition. The girls unfortunately did not do very well in this but put the name of Robb Hockey out there and how competitive they are going to be in the near future. 2009 was much better session for the girls and they moved up the ladder. This year saw the boys taking an interest in the team and we had three coaches for our strong side and also support for the girls increased dramatically with many of the boys coming down to watch the week games but unfortunately on the Saturday games were at the same time as the Rugby. These gentlemen included Stephan Smith, Will Brennan and Toby Seccombe who all did an outstanding job for the girls and a lot was learnt by the whole team from these three enthusiastic coaches. With 2009 came the introduction of the Hockey Presentations. The Hockey presentation is a black tie Champaign breakfast, leaving college at 8:30am and heading out to Puddledock Hall to be served by Fresher boys from St Alberts. The day was fantastic and definitely a new tradition that will continue hopefully as long as Robb Hockey does.

2010 has been a fantastic session the new Freshers have really bought something to Robb game. This year has also seen the introduction of two hockey teams. The top team plays in the 2<sup>nd</sup> grade competition and is currently waiting to play the GRAND FINAL this weekend, the girls have had a great session only losing two games the whole two terms. The game that put us into the final was playing with about an inch of water on the turf and the rain poring down lucky for us the rain wasn't in our face but hitting us on the back. It was a very tough game but we made it count when we needed it to and put one goal in that put us straight in the grand final the first of hopefully meaning to come. The second team that Robb entered was a social team which was coached but two more enthusiastic gentlemen, Affiliate Pat Williams and a Fresher Shotgun. These two boys worked very hard every week with the Social team but unfortunately they lost their last game which knocked them out of the semi-finals. With the Grand Final to come for 2<sup>nd</sup> grade and Hockey presentation the girls have a lot to look forward to and I hope that Robb Hockey continues to be as strong as it is currently.

*Front Row, Left to Right*

Katrina Weir, Noni Gabb, Elizabeth Hutton, Monique Donn-Patterson, Meg Rutledge, Janie Munro

# Robb Netball Club

Robb started its 50<sup>th</sup> year with the annual fresher netball game against Albies. Our team of freshers endured weeks of torturous hill-sprints, laps of the soccer fields and early morning wake ups after some late night college functions. Unfortunately 2010 was not the year for Robb to win the fresher match, resulting in those who we despise... taking the title. Robb College Netball has come along way over the past 50 years from originally only having two teams entered in the A and B grades. To this year where Robb had over 50 girls try out for the UNE Saturday morning

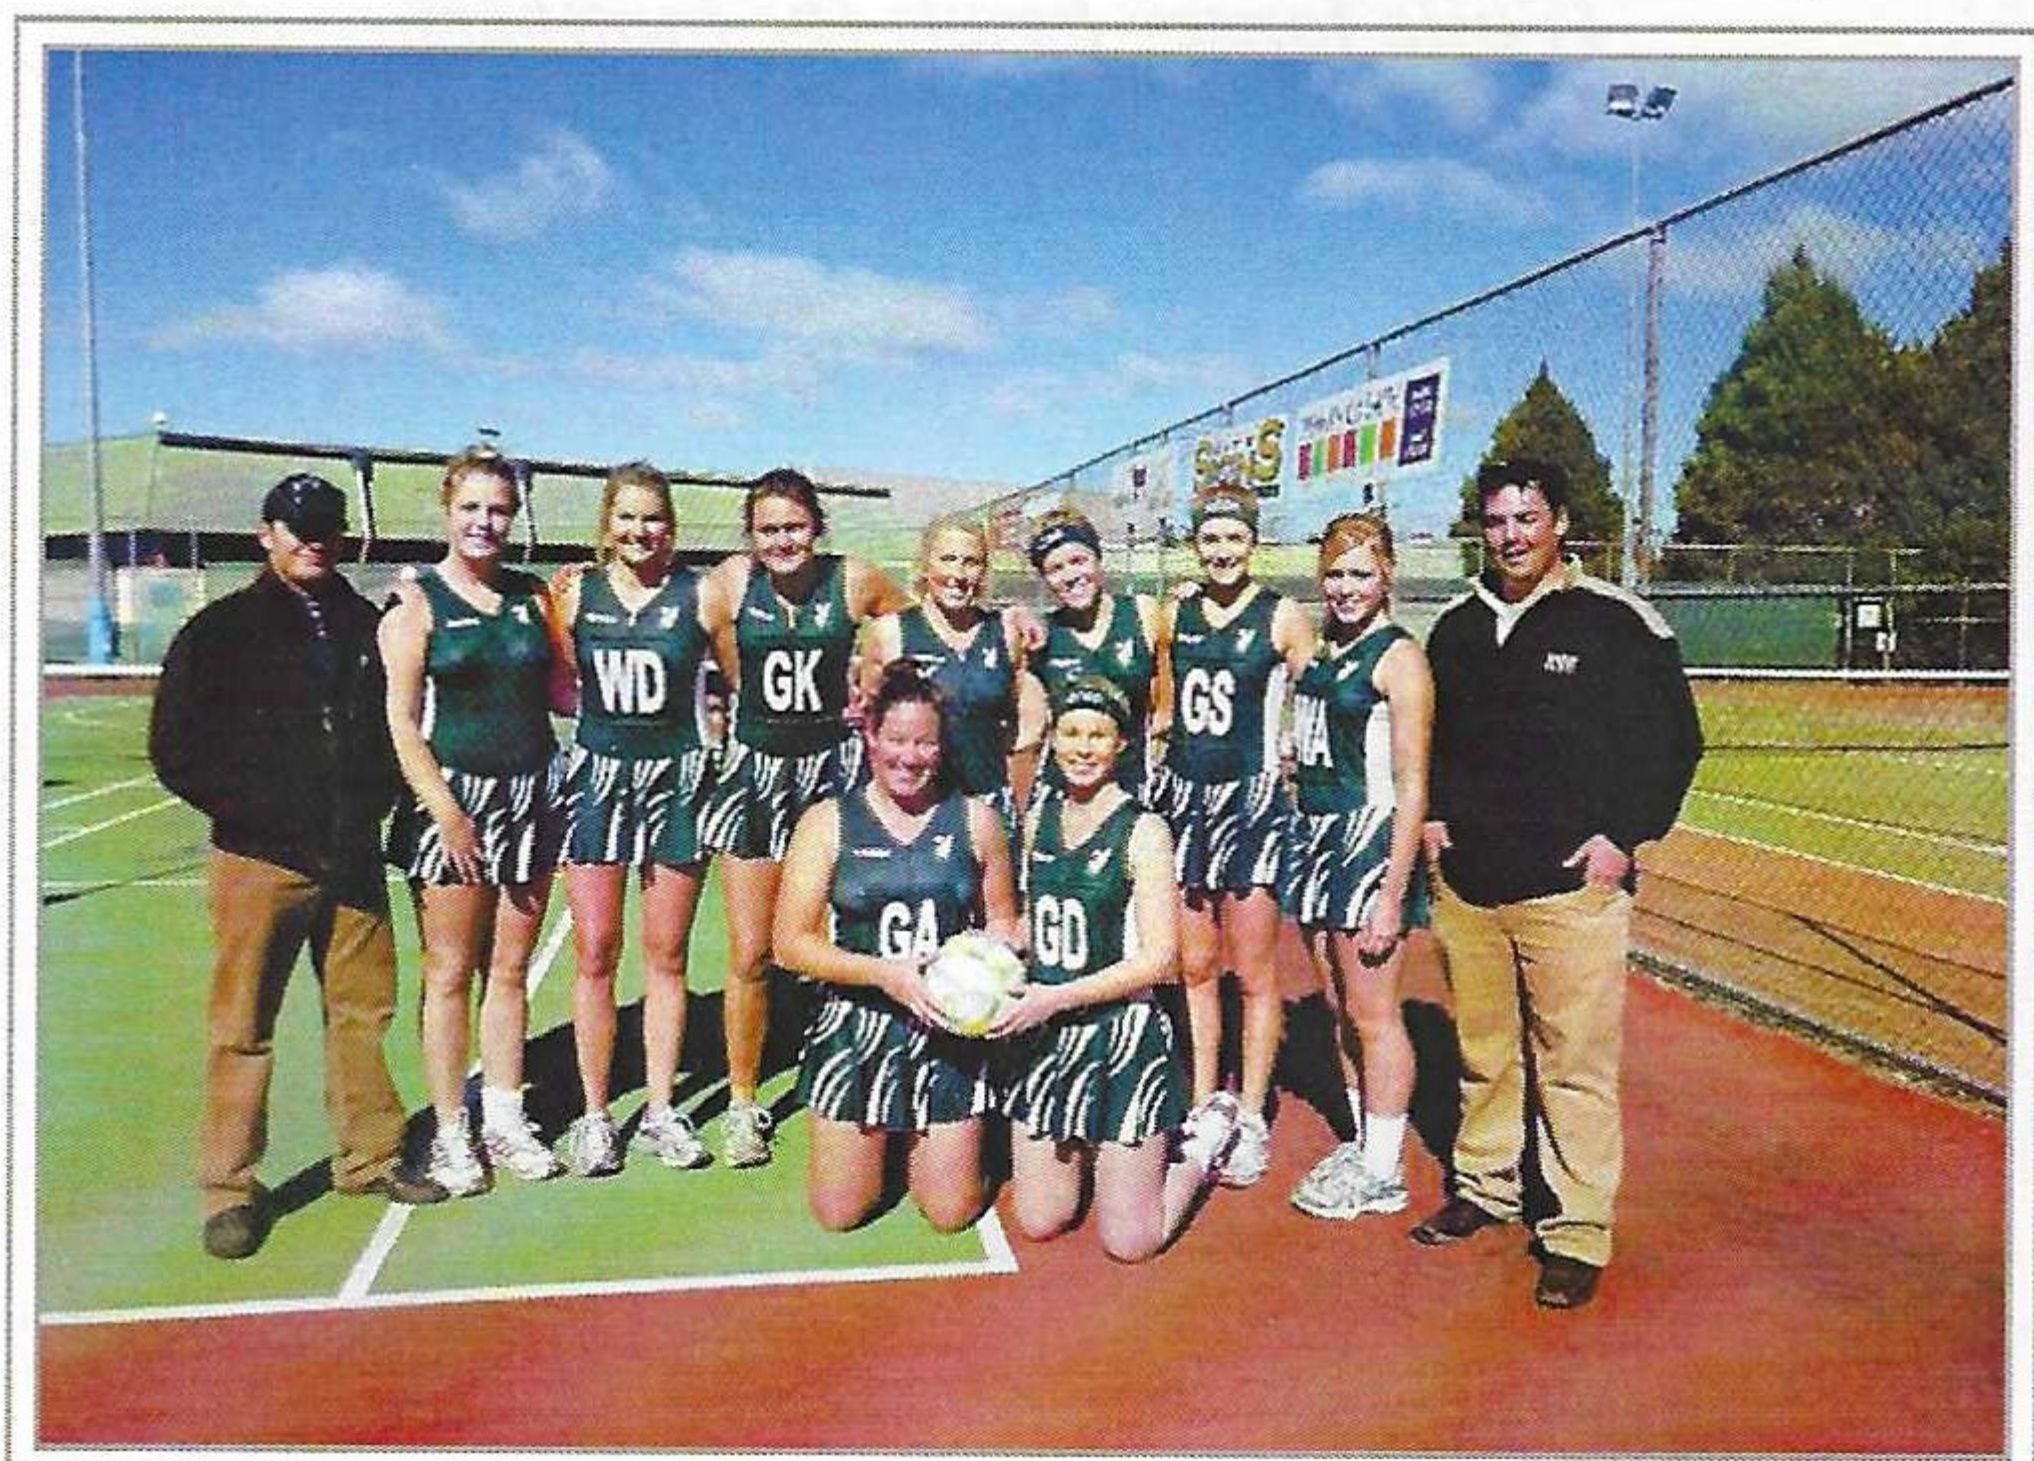

## Robb B GRADE

Grand Final Winners 2009.

*Coaches:* Luke Perry and Hamish Cato.

*Left to right:* Emma Wollen, Anna Strong, Anna Coles, Kirby Mills, Emma Meale, Sarah Conway, Donna Dean, Mel Wheeler.

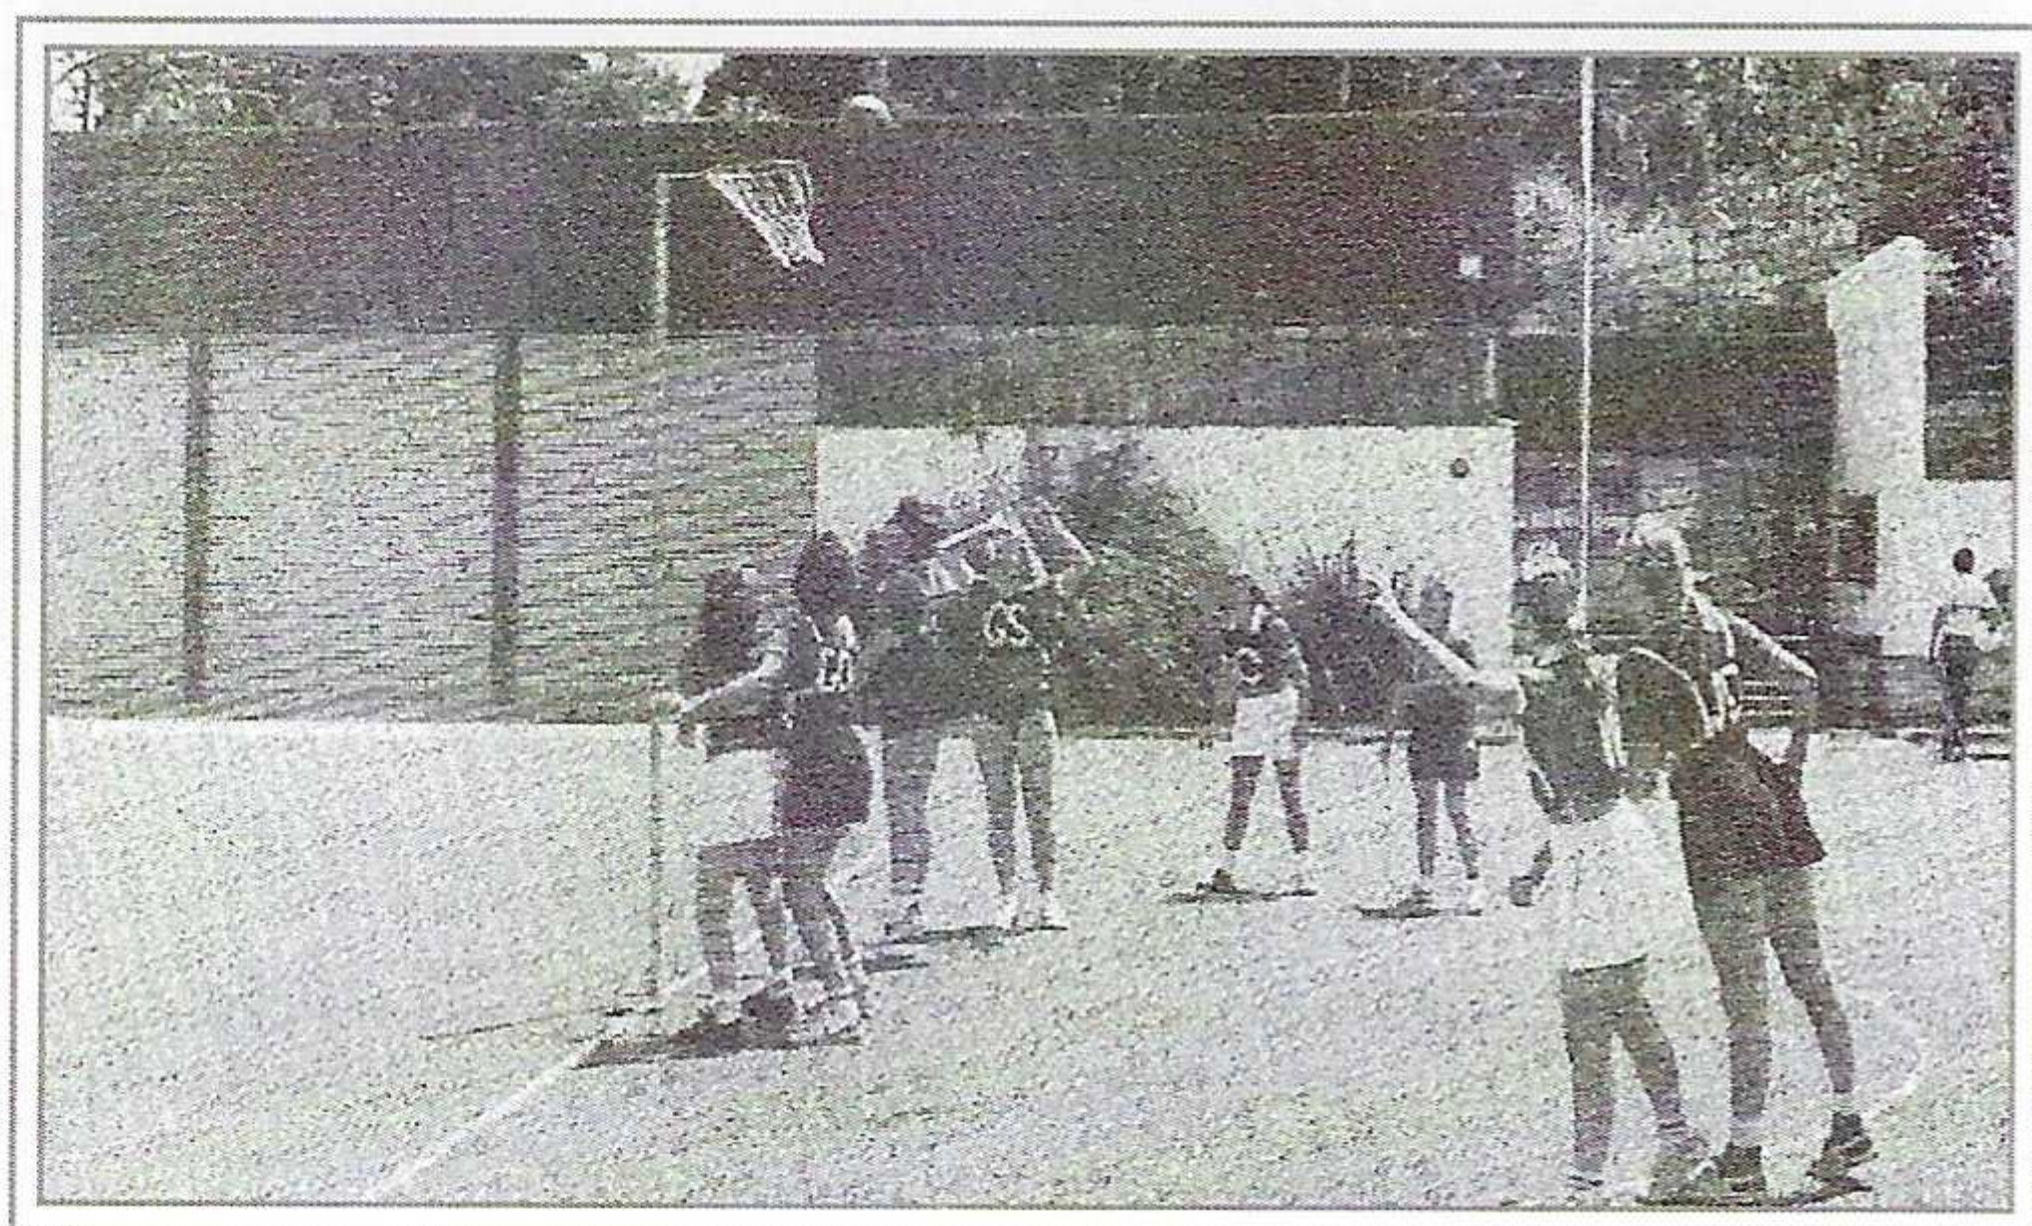

competition. Resulting in Robb having five netball teams spread over the five different grades, A, A reserve, B, C and Social. Robb netball is not restricted to being just a girl's sport. The rugby boys get involved in the weekly coaching of the five teams. All boys volunteer for a coaching position, most wanting one of the A grade teams. Their input into the Monday night fitness training is very useful and appropriate for the Saturday comps. However the first few weeks of the Wednesday night ball skills sessions were spent teaching the boys the rules of the game i.e.: 'no you can't peg the ball from one end of the court to the other' rather than working on court plays.

## Robb A Grade 2010

*Coaches:* Daniel Holcombe and Samuel Martin.

*Left to right:* Sophie King, Claire Pratt, Ruth Corrigan, Bec Lee, Sophie Dunkerton, Taryn Hatchwell, Rose Haywood, Gemma Moody, Amy Johnson.

# Women's Cricket Ballad

*Come on Robbers Come on, Come on*

*Come on Robbers, Come on.*

*O'Maleys pounding down like a machine,*

*Expressos making divets in the green,*

*Robbo's taking wickets*

*Woodies hitting pickets*

*And the Tallies have got that killer gleam.*
